

CONFERENCE

“Nutrition, Epigenetics, Pregnancy and Postpartum”

SCIENTIFIC PROGRAM

9:30-11:00 – Fundamentals of Epigenetics and Metabolic Programming

11:00-11:30 – Healthy Snack

11:30-13:00 – Long chain polyunsaturated fatty acids in Pregnancy, Postpartum, Health and Disease

13:00-13:30 – Discussion, Questions & Answers

SPEAKER:

Professor Frits Muskiet

- Ph.D. Mathematics and Physics (Groningen State University)
 - Thesis: *'Determinations of catecholamines and catecholamine (precursor) metabolites in biological fluids and their clinical applications'*.
- **M.S. Biochemistry** (Groningen State University)
- B.S. Chemistry (Groningen State University)
- Clinical Chemist Certification (Dutch register of Clinical Chemists)
- Clinical Chemist at the University Medical Center Groningen
- **Professor of Pathophysiology and Clinical Chemical Analysis**, Groningen University Center of Pharmacy, Faculty of Mathematics and Natural Sciences (Groningen State University)
- **Associate Professor of Pathophysiology and Clinical Chemical Analysis**, Faculty of Medical Sciences (University Medical Center Groningen).
- **Lecturer** (Evolutionary Medicine; Clinical Chemistry; Epigenetics; Nutrition) in the European **Master of Science in PsychoNeuroImmunity** (University of Girona, Spain)
- Member of the Scientific Committee of the Vitamin Information Bureau
- Scientific expert in **Nutrition** (Essential Fatty Acids, Vitamins, Human Milk); **Obstetrics/Perinatology** (Preeclampsia, Maternal and Neonatal Nutrition); **Epigenetics**; **Atherosclerosis** (Lipids, Hyperhomocysteinemia); **Oncology** (Tumor Markers, Cell Kinetics); **Hematology** (Hemoglobinopathies, Thalassemias); **Psychiatry** (Autism, Schizophrenia, Depression); **Evolutionary Medicine**; Evidence Based Laboratory Medicine.
- Supervisor of 25 PhD theses; 4 cum laude
- Member of the **International Society for the study of fatty acids and lipids**; Royal Society of Physics; Dutch Federation of Clinical Chemists; Society of Clinical Chemists North; **Dutch Cancer Society**; **Dutch Atherosclerosis Society**
- Member of the Editorial Advisory Board of **Prostaglandins, Leukotrienes and Essential Fatty Acids**
- Reviewer for various peer-reviewed scientific journals (*European Journal of Nutrition; Prostaglandins, Leukotrienes and Essential Fatty Acids; Pediatric Research; West Indian Medical Journal; Annals of Clinical Biochemistry; Analytical Biochemistry; Chimica Chimica Acta; Journal of Chromatography A and B; Tijdschrift Ned Vereniging voor Klinische Chemie; Biomedical Mass Spectrometry, others*)
- Author/Co-author of **226 PubMed registered peer-reviewed scientific publications.**

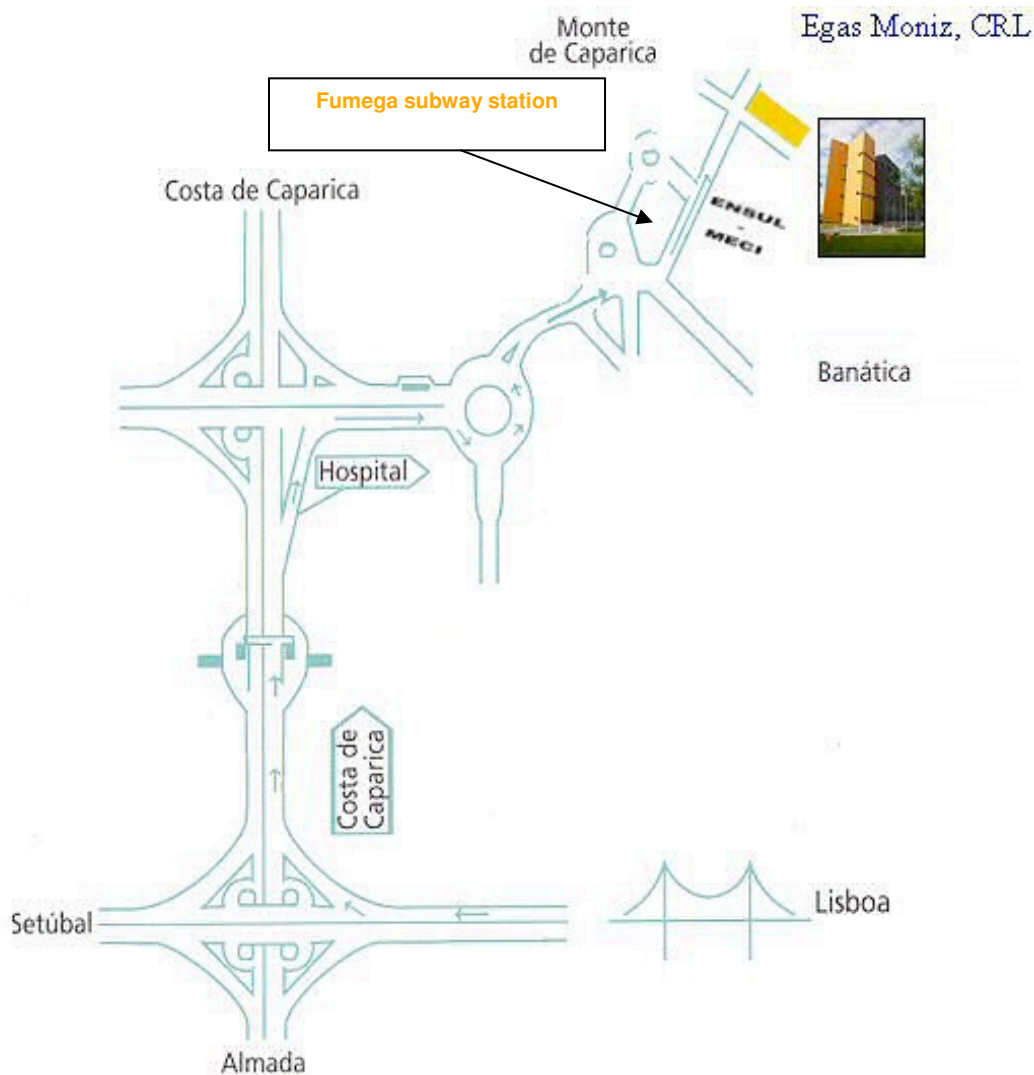

DATE:

March 13, Starting at 9:30 AM

LOCATION:

“Instituto Superior de Saúde Egas Moniz”, Monte da Caparica, Lisbon, Portugal

(15 minutes from Lisbon centre)

Google map: <https://sites.google.com/site/nutrisciencept/mapa-egas-moniz>

Public Transportations:

1º - Train Fertagus (Stop at Pragal) → 2º - Subway “Metro Sul do Tejo” (Stop at Fomega) → 5 minutes walking

REGISTRATION

To register, fill out the form attached, and please e-mail it to

geral@nutriscience.pt

**For more information (including information concerning hotels in Lisbon),
